Season: Year 2019

West, You Will Cry For Me is a novel tracing the investigation of a small event as it gradually opens onto the greatest jihadist threat ever suffered by a country. The protagonist, Miguel Aguirre, battle-hardened by his work as a secret agent, is in charge of solving the mystery, from the almost routine verification of an incident that gradually emerges as the peak of an iceberg of huge proportions and international ramifications. As the level of threat and danger rises with the unfolding criminal plot, the story becomes a fight against the clock. Javier Barreira presents a magnificent spy novel set in Madrid that keeps the reader on tenterhooks until the end.
